QUARTERLY REPORT
OF THE TESTIMONIES,
NEEDS, AND IMPACT
OF LIVING HOPE
INTERNATIONAL

ABR - JUN 2025

We remain deeply committed to the calling God has given us—to rescue children, raise up leaders, and reach the unreached. This past quarter has been a powerful reminder of God's provision, wisdom, and perfect timing. As we step into the next season, we're actively preparing and positioning ourselves to go even further—deeper in discipleship and outreach, and stronger as a team.

I continue to stand in awe of how God directs our steps, and I want to thank you personally. Your steadfast support is what fuels this mission. Because of your prayers, encouragement, and generosity, we can keep moving forward with boldness and faith. We're expectant and excited for what God has ahead!

HOW ARE WE LIVING OUT OUR MISSION?

We're so excited to share that more children are being rescued and welcomed into the Esperanza Viva family, like Yaret, 16, who arrived in June and is now safely in her new home. Every child who comes through our doors is a life changed, and it's because of sponsors that make this possible.

Already in 2025, we've welcomed 103 new sponsors—more than we had in all of 2024!

What's even more incredible is how these connections grow into real, meaningful relationships rooted in love, hope, and shared faith.

One beautiful example is Mateo, 10 and his sponsor, Anna. They connect over Zoom every month, and their friendship has become something really special. They're both counting down the days until they see each other again when Anna visits this fall.

Stories like theirs remind us that sponsorship doesn't just support—it brings lasting change and lifelong impact.

95 children are living at Esperanza Viva Youth Home, where they're receiving daily meals, education, love, community, and a safe place to grow.

This quarter also included several family reintegrations—a reminder that each child's journey is unique. Some stay with us for years, others return to live with relatives or guardians, and some choose to take the next steps toward independence as they mature and become ready to face new challenges.

At Nations School, raising leaders is central to the mission. The school nurtures students spiritually, emotionally, and intellectually to live with purpose.

This year, the team guided students through a discipleship journey focused on building faith and character. The theme, “Under Construction”, centered on Jesus’ teachings from the Sermon on the Mount. Through devotionals, intentional mentorship, and a culture rooted in biblical truth, students are learning to make decisions grounded in values that will guide them for life.

After a recent school community gathering Lety González, Academic Director at Nations School, shared:

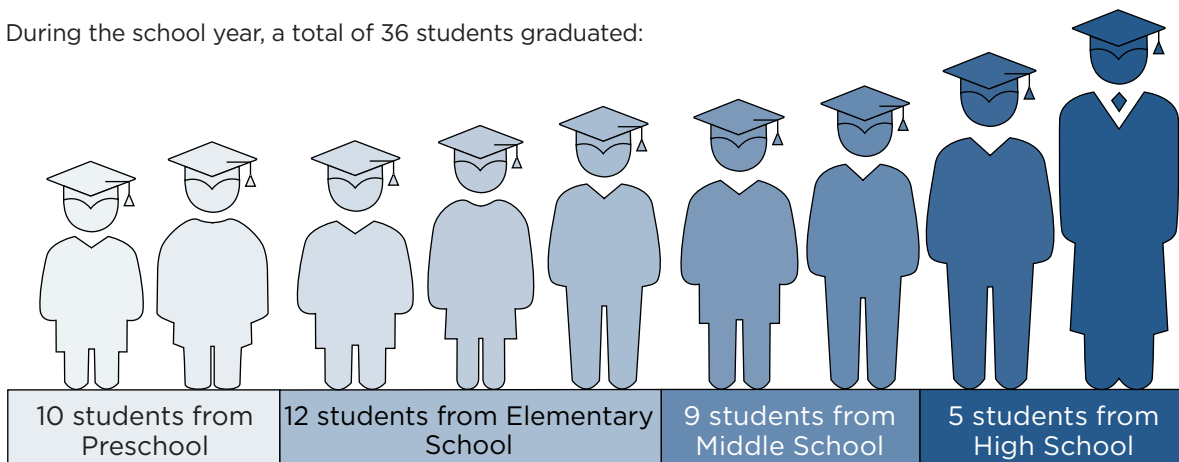

“We’ve seen real growth—not just in academics, but in their attitudes, their faith, and how they treat others. We believe in what this school is doing and want to be part of it.”

We have a vision beyond education and are confident that through Nations School we can shape tomorrow’s leaders—ready to impact their communities with courage and compassion.

As the 2024-2025 school year closed out, Nations School looks ahead to continuing this journey of growth and leadership.

In July, we celebrated 36 graduates across all levels—each shaped academically, spiritually, and socially. Many are now stepping into the next chapter with a heart to serve, lead, and grow in their God-given purpose.

During the school year, a total of 36 students graduated:

TRAINING & DISCIPLESHIP

13 students completed their ministry training journey and graduated from Nations Institute in June. This graduating group represents all three levels of the course, reflecting growth and commitment at every stage of the program.

Luz García, now a staff member at Nations Ministry Institute, first joined as a Resident Intern.

"From the beginning of my journey as an Institute student, God has gently guided me, always leading me right on time. Early on, He gave me the image of clay—reminding me I'm being lovingly shaped by His hands, not by my own plans. Now, as a staff member and a supervisor to new students, I'm thankful for every part of this journey. Each season has shaped me and drawn me closer to Him." —Luz García

This season, **281** people completed the discipleship course through Nations Church—a powerful step in their journey of spiritual growth and transformation.

THIS QUARTER, WE SAW A POWERFUL MOVE OF GOD THROUGH OUTREACH OPPORTUNITIES.

OAXACA

In the village of Chalcatongo, Oaxaca, we are seeing God at work in the youth and families in the area.

In June, 14 people who completed their discipleship course went on a 1-day retreat, focused on healing and freedom in their spiritual lives.

"As we get to know the people in this village, doing life with them in the day-to-day, it's refreshing to see them blossom in their faith and invite others to come to the discipleship meetings each week." shared Bridget Gomez, who serves alongside her family as missionaries in Chalcatongo.
